ARE ALL YOUR ASSETS COVERED?

Accounts receivable can be one of the largest assets on your balance sheet, yet they're often overlooked when it comes to insurance. When you protect your inventory, vehicles, machinery, equipment and buildings – even cash – consider EDC Accounts Receivable Insurance for payments owed to you by all of your foreign customers.

LET US SHARE YOUR FOREIGN RISK

Our Accounts Receivable Insurance protects you for up to 90% of losses resulting from a wide range of commercial and political risks, such as:

- insolvency or default of your foreign customer;
- payment delay caused by a blockage of funds or transfer difficulties;
- refusal of goods by your foreign customer (provided you meet the contract terms);
- war or hostilities in your customer's country or between two or more other countries; and
- cancellation or non-renewal of export or import permits.

WHAT ELSE CAN YOUR POLICY INCLUDE?

You can opt for:

- protection against contract cancellation by your customer;
- insurance for letters of credit transactions on a country-by-country basis; and

WHAT IS YOUR COST?

With EDC Accounts Receivable Insurance, you pay only for what you sell. Your rates are based on several factors, including:
