INTRODUCTION

The purpose of the *Access to Information Act* (“Act”) is to enhance the accountability and transparency of federal institutions to promote an open and democratic society and enable public debate on the conduct of those institutions.

Export Development Canada (“EDC”) is a crown corporation and an agent of His Majesty in Right of Canada with a mandate to support and develop trade between Canada and other countries and Canada’s competitiveness in the international marketplace and to provide development financing and other forms of development support. EDC’s mandate also includes supporting and developing domestic business, where requested by the Minister of International Trade, Export Promotion, Small Business and Economic Development and the Minister of Finance.

This report is prepared and tabled in Parliament in accordance with section 94 of the Act. For clarity, it pertains to EDC specifically. Individual reports have been prepared and will be tabled for each of EDC’s wholly owned subsidiaries, Exinvest Inc. and Development Finance Institute Canada Inc.

ORGANIZATIONAL STRUCTURE

EDC’s Privacy and Information Risk (“P&IR”) Team is part of the Compliance and Ethics Group. The P&IR Team has primary responsibility for administering the Act for EDC and is responsible for responding to requests submitted to EDC under the Act.

Throughout the reporting period, the team was comprised of 7 full-time employees, with 3 dedicated to ATI. The team was overseen by a Director, Compliance & Ethics, who reported to the Chief Compliance and Ethics Officer, who in turn reported to EDC’s Senior Vice-President and Chief Risk Officer, Global Risk Management.

EDC has agreements in place, entered into pursuant to section 96 of the Act, for the provision of access to information services to the Development Finance Institute Canada Inc. and Exinvest Inc.

With respect to “proactive publication” requirements under Part 2 of the Act, EDC’s Costing Team within the broader Finance Group is responsible for ensuring that EDC meets its obligations under sections 82 (publishing travel expenses) and 83 (publishing hospitality expenses), while the P&IR Team is responsible for meeting its obligation under section 84 (publishing reports tabled in Parliament).

DELEGATION ORDER

A copy of the delegation order that was made pursuant to section 95(1) of the Act and was in effect at the end of the reporting period is attached at Appendix A.

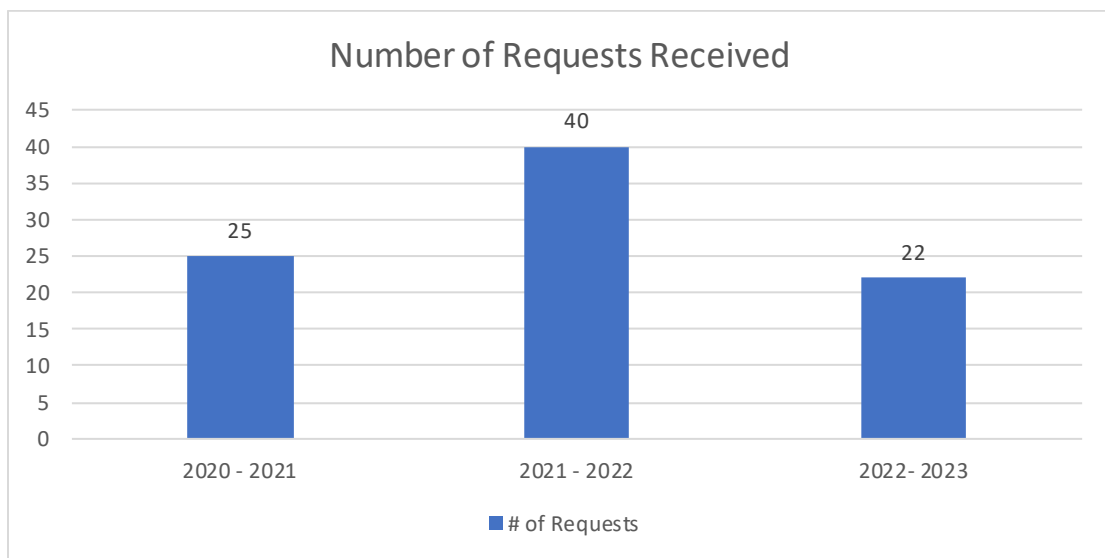

PERFORMANCE 2022-2023

Below is an overview of EDC's performance, which is reported in greater detail in EDC's Statistical Report on the Act for 2022-2023 that is attached at Appendix B and Supplemental ATIP Statistical Report that is attached at Appendix C:

- EDC received 22 new requests for information under the Act. 4 requests were carried over from the last reporting period.
- 19 requests were completed during the year.
- Ninety-four percent of the 19 requests completed during the year were responded to within legislated timelines.
- Of the 19 requests that were completed during the reporting period:
 - One was completed within 1-15 days
 - Nine were completed within 16-30 days
 - Eight were completed within 31-60 days, and
 - One was completed after 365+ days.
- As of the last day of the reporting period, there were 7 active requests, of which 6 were received in the 2022-2023 reporting period and 1 in the 2021-2022 reporting period, and of these 7 requests, 5 are still within the legislated timelines.
- As of the last day of the reporting period, there were 15 active complaints. Of these:
 - Four were received in 2022-2023
 - Five were received in 2020-2021
 - Three were received in 2018-2019
 - Two were received in 2016-2017, and
 - One was received in 2015 or earlier.
- During the reporting period, EDC completed a total of 36 consultations for other government institutions regarding the release of records. Of those:
 - Nineteen were completed within 1-15 days
 - Five were completed within 16-30 days
 - One was completed within 31 – 60 days
 - One was completed within 61 – 120 days
 - Six were completed within 121 -180 days, and
 - Four were completed within 181-365 days.

- Of the 19 requests that were completed, 4 requests required an extension. Of those 4, 2 were extended pursuant to section 9(1)(a) (due to the large number of records required to be processed), and 2 were extended pursuant to section 9(1)(b) (due to consultations being required to comply with the request that could not be completed within the original time limit).
- Of all requests completed, those for which records were “all disclosed” accounted for 31%, while those for which records were “disclosed in part” accounted for 36%.

EDC experienced a decrease in the number of requests received compared to the previous period. The chart below shows the trend for the past 3 reporting periods.

IMPACT OF COVID-19 PANDEMIC

EDC’s COVID-19 pandemic related measures did not impact the institution’s ability to fulfill its responsibilities under the Act during reporting period.

TRAINING AND AWARENESS PROGRAM

The P&IR Team promoted awareness of EDC’s obligations under the Act through mandatory privacy and access to information training for all new employees, who totalled 295 for the reporting period.

INSTITUTION SPECIFIC POLICIES, GUIDELINES AND PROCEDURES

EDC did not implement any new or revised institution-specific policies, guidelines, procedures or initiatives related to access to information during the reporting period.

PROACTIVE PUBLICATION

EDC is a “government institution” for the purposes of Part 2 of the Act and is subject to sections 82 (publishing travel expenses), 83 (publishing hospitality expenses), and 84 (publishing reports tabled in Parliament).

EDC publishes travel and hospitality expenses incurred by EDC’s CEO, senior executives and Board members on its [Travel and Hospitality Expenses](#) webpage. EDC publishes its annual reports on the administration of the Act on its [Access to Information and Privacy](#) webpage.

In the spring of 2023, EDC finalized and began executing a plan to enhance compliance with its proactive publication requirements. The plan included formalizing responsibility and processes within EDC for managing these requirements. It also clarified the specific information required to be published and associated timelines. To facilitate compliance, travel and hospitality expenses are approved in a centralized expense system that populates a general ledger from which relevant expenses are extracted for publication.

INITIATIVES AND PROJECTS TO IMPROVE ACCESS TO INFORMATION

EDC commenced the process for onboarding to ATIP Online, a centralized, publicly facing website hosted by the Treasury Board Secretariat for individuals to submit requests for access to information and is expected to be fully onboarded during the 2023-2024 reporting period.

COMPLAINTS

EDC received 5 new complaints during the reporting period, 4 of which concerned unreasonable extensions of time and were concluded during this period. Of these four complaints, two were closed pursuant to section 30(4)(b) of the Act, which enables the Information Commissioner to cease to investigate a complaint when continuing the investigation is unnecessary in the circumstances, and 2 were deemed well-founded and access was granted within the timelines ordered by the Information Commissioner. One complaint remains active and involves a claim EDC did not properly apply exemptions on the disclosure of information.

MONITORING COMPLIANCE

EDC used AccessPro Suite by CSDC Systems Inc. to manage all requests received under the Act. The software has a dashboard function that enables monitoring of the status and time taken to process access to information requests. In addition to weekly team meetings, access compliance metrics, including response times, were a standing item in EDC Board reporting.

To manage inter-institutional consultation, EDC incorporated the specific criteria for triggering such consultations into its request handling procedure, such that consultation is warranted in two circumstances: if more information is needed to enable the proper exercise of discretion to withhold information or EDC intends to disclose potentially sensitive information.
